

**DCoC Trust Fund: Contributions and Achievements to Date - September 2024**

<b>Donor</b>	<b>DCoC TF Contributions USD since 2009</b>	<b>Main Purpose</b>	<b>Key Achievements</b>
Bahrain	50,000.00	Support to implementation of the DCoC	<p>1. Established a <b>Strong Culture of Cooperation</b>. The establishment of a strong governance structure for the DCoC, comprising the Steering Committee, Working Group One on Information Sharing, Working Group Two on Capacity Building, and the Friends of the DCoC Forum, has significantly enhanced cooperation among member states and international partners.</p> <p>2. <b>Information Sharing</b> – Established Regional Information Sharing Centres in Dar es Salaam, Mombasa and Sana'a – those Centres were instrumental in coordinating, smooth, and effective communications through National Focal Points. Progress has been to strengthen the ISN by incorporating the RMIFC (Madagascar and RCOG (Seychelles), reestablishing ReMISC in Aden, and most of the participating States have made good progress in developing their multi-agency National Maritime Information Sharing Centres as part of the ISN</p> <p>3. <b>Training</b> – facilitated training on maritime law enforcement, including legal frameworks for prosecuting maritime crimes, handling piracy cases, and addressing broader maritime security threats. This training has been vital in enhancing the Capability for maritime law enforcement across the region. So far up 100 training activities</p>
