- 2. Having established a strong governance framework comprising the Steering Committee, Working Group 1 on Information Sharing, Working Group 2 on Capacity-Building Coordination, Working Group 3 on Operational Cooperation and Coordination at Sea, and the supportive Friends of DCoC Forum, the High-Level Meeting will discuss and recommend practical measures to strengthen responses to maritime security threats in the Western Indian Ocean and the Gulf of Aden. In addition, discussions will focus on strengthening the coordination of capacity-building efforts and enhancing the DCoC Capacity-Building Coordination Matrix to ensure more effective implementation of DCoC/JA recommendations and better alignment of partner support with regional priorities.

- 4. The High-Level Meeting will build on the outcomes of the previous four High-Level Meetings held in Dubai and Jeddah in 2022, Cape Town in 2023, and Dar es Salaam in 2024.
