

Aligning international efforts with regional needs and priorities

Danish Peace and Stabilisation Program for HoA 2023 - 26

“Improved capacity to exercise authority across the maritime domain and to contribute to preventing and countering violent extremism and serious organised crime.

- Bilateral agreement for Maritime CB with Kenya Navy
- Support to UNODC GMCP >> Kenya Coast Guard Service a.o.

Strategic Sector Cooperation, Maritime 2024 – 2027 (2033)

1. Improved education and training of all seafarers in accordance with International standards
2. Ensure better PSC and FSC to enhance safety of seafarers and protection of marine environment
3. Support Kenyan ambition on green and eco-friendly shipping

Aligning international efforts with regional needs and priorities

- **Shipping and free trade routes are vital for economic growth (Regional States and Denmark)**
- **DK/EU increased engagement / diplomatic presence**
- **More equal partnerships, listen to African voices**

Aligning international efforts with regional needs and priorities

How to plan Capacity Building?

- ✓ Identify needs and priorities
- ✓ Listen to African voices (54 of them)
- ✓ Effect and sustainability
- ✓ Realistic level of ambitions
- ✓ Realistic implementation plan
- ✓ Coordinate with other partners
 - ✓ Friends of DCoC
 - ✓ Maritime Coordination Group (MCG)
- ✓ Ensure/encourage interagency
- ✓ For Africa or for yourself?

Advice to DCoC signatory states

- Formalise the interagency cooperation
 - Pool resources
 - Share facilities
 - Set common goals/ambitions
 - Ensure interoperability
