

High-Level Meeting of the Djibouti Code of Conduct 24 to 26 October 2023

Creating synergies between the DCoC/JA and other regional
capacity building initiatives

Ms. Toral Vadgama
Deputy Head

UNODC

United Nations Office on Drugs and Crime

The maritime challenges:

- Trafficking in narcotics and psychotropic substances.
- Arms trafficking
- Human Trafficking and Smuggling of Migrants.
- Crimes in the Fisheries Sector.
- Marine Pollution.
- Maritime Terrorism.
- UN Security Council: Detering Sanction Violations at Sea.
- Piracy and armed robbery at sea;
- Chemical, Biological, Radiological and Nuclear Threats at Sea.

UNODC

United Nations Office on Drugs and Crime

GMCP

Global Maritime Crime Programme:

- Active programming in **most DCOC states in the Indian Ocean and Gulf of Aden region.**
- Core Support activities to Member States includes:
 - Legislative Reform
 - Maritime Domain Awareness
 - Detection and Investigation
 - Support to Prosecutors
 - Support to Courts
 - Support to Prisons
 - Regional Cooperation through the Indian Ocean Forum on Maritime Crimes (IOFMC)

Synergies:

The Target:

- DCOC/JA: policy discussion (to include general themes and directions of required capacity building and establishing consensus on approaches and priorities);
- Operational component of implementation of the DCOC/JA through MASE, EU CRIMARIO, CMF, EUNAVFOR, EUCAP, IOC, UNODC and bilateral national projects
