Coordinated Responses

“piracy and armed robbery at sea are not simple issue and such require a coordinated responses..”

U.N S.G Ban Ki-Moon

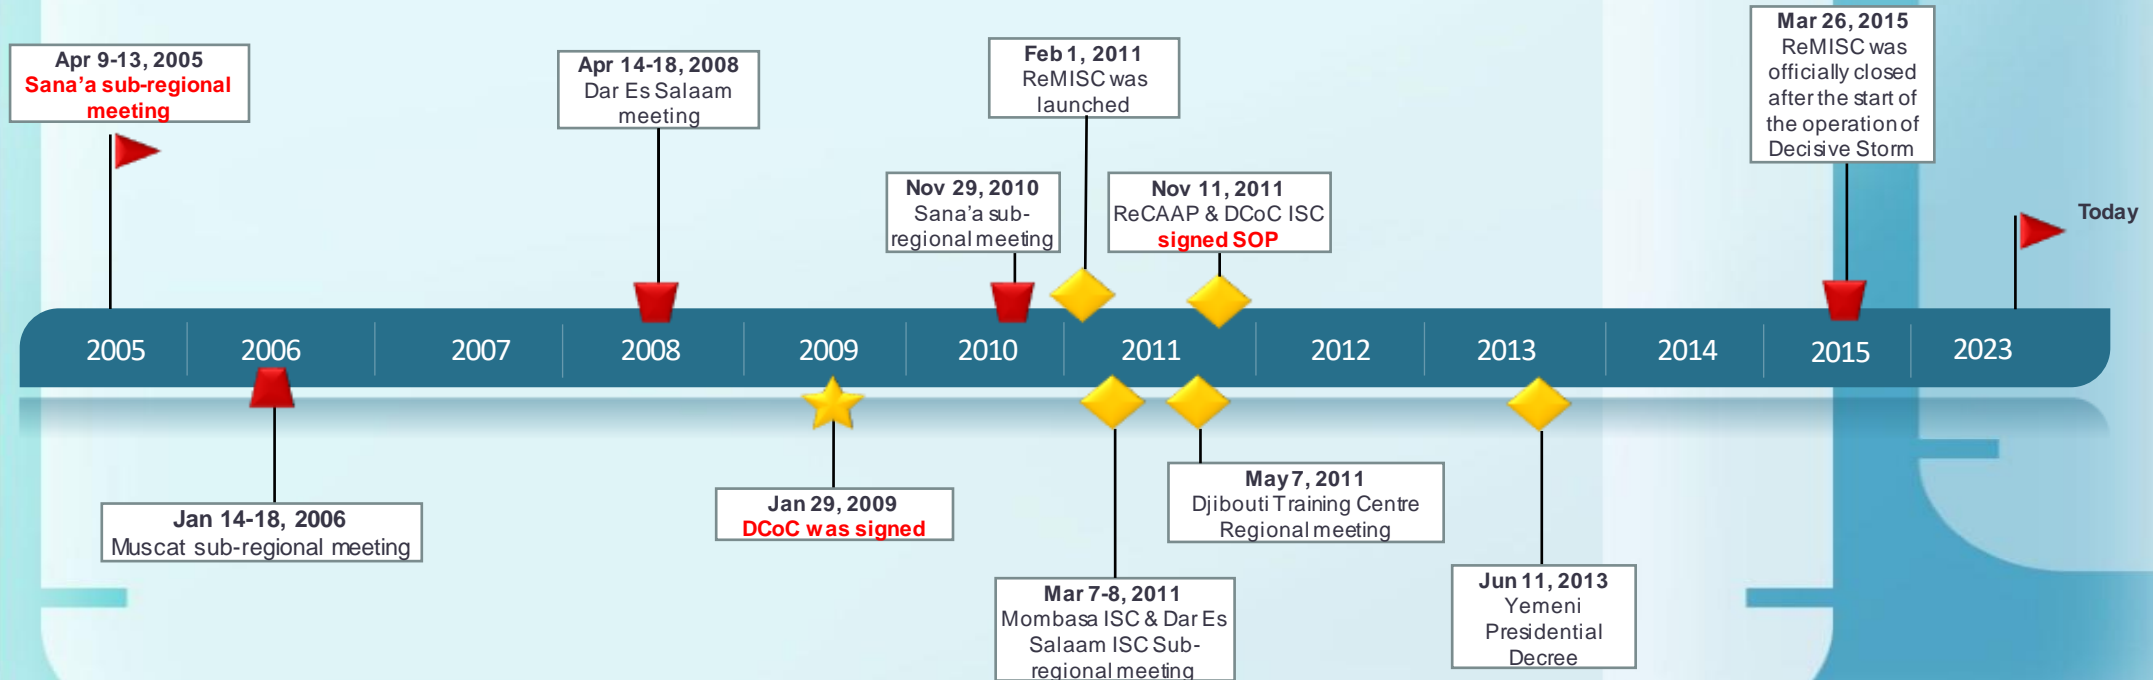

- No state or agency is able to combat piracy **ALONE**
- Need for coordinated responses:
 - ✓ Collaborations
 - ✓ Cooperation
 - ✓ Effectively work together.

Initiatives to Establish ReMISC

ReMISC: the regional response for in information sharing

ReMISC Vision
A regional Hub for Information
Sharing

ReMISC Mission
Through information sharing: build
confidence and capacity within the
region by enhancing regional maritime
situational awareness in particular to
prevent piracy and armed robbery.

Current Status of ReMISC

- 04 October 2023 UNDP handover the building after the rehabilitation.
- On 11 October 2023 started the operation of ReMISC with minimum equipment such as:
 - IORIS Platform.
 - Seavision.

المركز الاقليمي البحري لتبادل المعلومات
REGIONAL MARITIME INFORMATION
SHARING CENTRE

Efforts Required

- Supply the other essential equipment such as
- GMDSS
- Mercury
- Bgan (Back up system)
- C-Map or ECDIS
- Maptitude
- Navtex
- Phone

FUTURE PROSPECTS OF REMISC

- ▶ Given that there is no regional information sharing centre for the northern region, ReMISC can play such a role.
- ▶ We seek the support of WG1 and the FoDCoC in building the capacity of the Centre to reach full operational capability as required to play that role.

Any Question?
